Please push the button, when you hear the announcement of the University (will be done in English). Pay the fare shown on the fare table located at the front of the bus above and on the left from the driver (match the number on your ticket and the fare under the corresponding number on the table). If you do not have the requested amount of money, use the exchange machine (dispenser). It accepts 1000 yen bill, 500, 100, and 50 yen coins.

- 3) On foot (25 min): At the information desk at the station (open 10-00 to 17-00) you can get English and Japanese maps of Aizu. Please ask the staff to mark the University on both maps. You should walk down the street which is located parallel to railway tracks. Your hotel has to be behind you all the time. Signs on the road and your map will bring you to the university. If you get lost, ask someone: Aizu-daigaku doko deska? (There is the University of Aizu?)
